The co'ored Baptists of Salt Lake are meeting with success in their efforts to secure funds with which to raise the mortgage on the Calvary Baptist church. Three services, or fallies, were held yesterday and a considerable sum was realized. A programme and song service was arranged and given in I. O. O. F. hal on Market street last evening. The half, hour's singing of old-time songs had to be omitted, however, as "Uncle' James Hunter and "Sister" Web did sold and all the conductors and the conductor and the doctor's might bed. Two papers were read during the

Miss Emily Mabels sang in the Gernan language "Abide With Me." Miss Goodwing a colored miss. Me." Miss Goodwine, a colored missionary from California, delivered a ten-minute talk. DOLLAR DINNER TAKING

Democrats Have Plans Well Under Way for the Banquet to Martineau and Farrell.

Plans are well under way for the Democratic banquet to be given at the Commercial club Monday evening, Nov. 27. The special committee having the matter in hand has the programme well along. A meeting will be held at 12 o'clock at the Commercial club tomorrow, at which time all the details will be worked out. The idea of making the affair a "dollar dinner" was adopted by commen consent. The idea of making the banquet one for the workers who did such yeoman service in the city campaign against such tremendous odds also met with general favor. At the same time it was insisted that the affair must be held to the high standard set by the Commercial club, and this idea will be carried out. There will be the best of music and flowers; the dinner will be a good one, and the speakers will have something to say that will not soon he forgotten. The indications point to a large attendance. Washington, Nov. 19.—The department of agriculture has issued a report giving the results of an investigation of inter-state water rights on the Platte river and its tributaries, and dealing with the water right problems on this stream in the states of Colorado, Nebraska and Wyoming.

trouble always came back. About six months ago I had an unusually severe attack, and while I tried everything I had ever heard of, I found that none of the ordinary remedies would reach the difficulty this time.

"One day I read in a Memphis paper an account of the very remarkable cure of a Michigan woman, a sufferer from chronic dyspepsia of a most stubborn type. Twelve doctors had at different times treated her without success, but at last she was entirely cured, and in a short time, too, by the use of Dr. Williams' Pink Pills. Her statement led me to make trial of the same remedy and it oved just as successful in my case. I took only three boxes, and I am convinced that I am permanently cured. I have not had the slightest symptoms of indiges-tion for the last two months."

The tonic treatment has a sound prin-

ciple as its basis, and abundant success in actual use. Multitudes of cases that had defied all other remedies have been cured by Dr. Williams' Pink Pills. The pills actually make new blood and strike at the root of all diseases caused by bad blood. They contain no harmful stimulants or opiates, are perfectly safe and create no drug habit. Every dyspeptic should read, "What to Eat and How to Eat." Write the Dr. Williams Medicine Co., Schenectady, N.Y., for a copy.
